One Minute Manicure - At home spa treatment for hands, body & feet. Formulated with ingredients that are known to be good for your hands and feet, One Minute Manicure can be used all over the body. Use the product straight from the jar and rub with your hands, before turning on the water. This allows the fine sea salts to gently exfoliate your skin and gives the oils a chance to penetrate the skin before mixing with the water.

One Minute Manicure now offers six fragrances (Mint, Ginger Citrus, Pomegranate, Chocolate, Green Apple, Lemon). Don't forget to order our Daily Skin Therapy Hand Cream protects hands long after you soften them.
